Les combats continuent sur le ring de la ligue P.K., tous plus violents les uns que les autres !

Yonggi éprouve quelques difficultés contre Bae Pougman, à cause d'une ancienne blessure.

Quant à Huiwoun, il continue à se faire remarquer par sa cruauté... Son maître meurt en regardant un de ses matchs à la télévision, terrassé par le comportement immoral de son disciple. Huiwoun décide alors d'abandonner la compétition.

Pendant ce temps, de nouveaux combattants entrent dans l'arène...
